Airbrush Compressor

- 23 32 lpm
- 40psi on / 60psi off

Offering unparalleled versatility, the TC-620X headlines our Inspire series compressors. Epitomizing style and functionality, the TC-620X has enhanced portability and is easy to store thanks to its lightweight metal housing; it will blend into your work environment seamlessly and protect the associated regulator, filter, and gauge accessories. With two air outlets and an accompanying air tank, the TC-620X enables users to manage their workspace with greater flexibility and efficiency. With the extra air outlet, you can now connect airbrushes beforehand and switch between use of airbrushes. Clean and stable air, controlled for your desired applications.
